SEMIAHMOO TRAIL PAC NEWSLETTER

Art Card Fundraiser Spend

School has purchased a large cart and several outdoor play items with funds raised through ART CARDS. Starting next week students will be able to sign out things like skipping ropes, balls, agility hoops and bean bag toss.

Surrey School Calendar 24/25

Next years school calendar is out and can be found via the link below

District Calendar 24/25

KINDERGARTEN REGISTRATION

K registration for 2024/25 is now open

May 22nd School hosts a Welcome to Kindergarten orientation

Our Beautiful Field:

This is a picture of garbage that was picked up from the field this weekend. Not only is it unsanitary for kids to play amongst garbage, it's also environmentally unfriendly and attracts wild animals who could suffer greatly eating human food/candy that is poisonous for them. We have lots of Coyotes in the area that we want to keep away from our school, they come at night and leave animal droppings we don't want our kids to come in contact with.

Please remind your kid to bring all garbage into the classroom garbage bins after lunch and recess.

Constitution & Bylaw Updates

Thanks to those who came to our Feb PAC meeting and voted the amendments PAC has been working on behind the scenes. We were able to Vote through section 1-5 and will continue at the next general meeting.

Surrey School App

Please download the Surrey Schools App and add Semiahmoo Trail Elementary as your home school for notifications relevant to our school. If School is closed due to snow you will be the first to know!

Project Lavender Parent & Caregiver Presentation

February 21st at 3pm in the School Library

Free, informative and important presentation by The RCMP to educate students and parents on the reality that faces pre-teens and teens online in this digital era they are growing up in. Topics include sexting, sextorsion, online bullying, hate speech, digital tattoos' and more. It lasts about 1h and there will be a Q and A at the end of the session

Childcare during presentation: Although we cannot arrange supervised childcare parents are welcome to bring their kids to play in the play area by the Pac kitchen, or coloring or calm activity such as reading/ ipad in the pac kitchen. It is still expected that you keep an eye on your kid and attend to them if needed.

[Register for this event here!](#)

[More on Project Lavender can be found here:](#)
