### Secretary

As the Secretary, you'll be the keeper of PAC records, ensuring meeting minutes are properly recorded and documents are well-organized. Your role is central to PAC communication, possibly extending to handling correspondence. This position suits those with strong organizational skills and a commitment to transparency and effective communication.

### Treasurer

Manage the financial heartbeat of the PAC as the Treasurer. This critical role involves overseeing all PAC finances, from presenting monthly reports to creating an annual budget. With the authority to make bank deposits and authorize payments, you'll ensure the PAC's financial health and accountability. This role is ideal for those with a keen eye for detail and a knack for numbers.

### District PAC Representative

Bridge the gap between our PAC and the District PAC as the Representative. Attend district meetings, voice our school's perspectives, and bring valuable news and resources back to our community. This role is perfect for someone eager to engage at the district level and advocate for our students and parents beyond our school.

### Member At Large
